Rules on letting this property		
Properties can be let if they have an energy rating from A to E.		
You can need guidance for landlords on the regulations and exemptions https://www.gov.uk/guidance/landlords-requirements-to-improve-energy-efficiency-in-private-social-housing		

Energy efficiency rating for this property

This property's current energy rating is C. It has the potential to be B.

[See how to improve this property's energy performance.](#)

The graph shows this property's current and potential energy efficiency.

Properties are given a rating from A (most efficient) to G (least efficient).

Properties are also given a score. The higher the number the lower your fuel bills are likely to be.

For properties in England and Wales:

the average energy rating is D
the average energy score is 60
