Price: £225,000

Converted in the early 2000's the apartment is located within a magnificent building, constructed in 1907 and used by the Catholic Church. The building has undergone extensive renovation but still retains the original character.

Located approximately 3/4 of a mile away from the town centre of Bodmin with a wide range of everyday amenities and shopping facilities. The building is entered via a large timber door with entry system into the main central stairwell.

A viewing is considered essential to appreciate all that the property has to offer.

The Property

From the central staircase a flight of stairs lead up to the first floor with an internal door opening into the apartment.

The front door opens out into the entrance hallway with high ceilings and feature archways, the main bathroom is immediately in front of you with a white suite comprising pedestal wash hand basin, WC and panel bath. There is a good sized storage cupboard with Worcester Bosch gas central heating boiler and fitted shelving.

The hallway leads to the other end of the apartment, to the front elevation are two double bedrooms both with windows to the front, ample space for double bed, the master bedroom boasts an ensuite shower room with pedestal wash hand basin, WC and shower cubicle with wall mounted shower. To the rear elevation is the third bedroom, a good-sized single bedroom with further wardrobe space.

To the far end of the hallway is a generous living room with large windows to the front providing great natural light.
