Welcome to Friarscroft Lane, Wymondham. This 4-bedroom house comes to market for the first time in over 40 years. Featuring the typical high ceilings, sizeable rooms and a range of original features of its era, there is plenty of character to appreciate and work with.

Greeted by a charming entrance hall with elbow room and storage, leading into a substantial living room and separate kitchen, this is just a glimpse of the space available. Accompanied by a dining room, extensive utility-laundry room and a ground floor shower room, the property will easily accommodate a modern layout and conveniences. The integrated garage offers further opportunities which we look forward to discussing with you.

Lead by a solid oak staircase, the first floor opens onto a wonderful landing. Off-landing there are four double bedrooms plus a good sized bathroom and separate toilet – again, an adorable show of its origin. Natural brightness follows you throughout each room, three of which boasting built-in storage while the fourth enjoys a bay window and original feature fireplace.

To the outside, there is a gated brickweave driveway to comfortably accommodate four vehicles and an enclosed garden to the back. With no houses overlooking and the garden set below the ground-floor level, this space has scope for something special.

Positioned for utmost convenience, this home places you a hop and a skip from the Market Place offering an abundance of local shops, amenities and transport links. Local schools are too within comfortable walking distance with local supermarkets and all access routes a short drive away. Socialising and family fun is on the doorstep with a private club, family run restaurants and local sights and heritage to enjoy.

There is nothing like viewing a prospective home in person. We are open 24/7 to receive your request and look forward to welcoming you.
