Welcome to Knapton Green, set two miles inland from the pretty Victorian village of Mundesley. This detached 4-bedroom bungalow has been a family abode for over 25 years. During this time, the property has provided a tranquil retreat from work life, created an array of happy family memories, and been the beginning of many a country walk. Visits from resident wildlife such as deer are a regular event.

Besides its four double bedrooms, three reception rooms, a family bathroom, and a separate shower room, it's the natural light and incredible views across the fields through the picture windows that will draw you in. Whether you're enjoying a lazy morning in bed, preparing culinary creations in the kitchen, or enjoying a meal in the dining room, the views will accompany you.

For practicality, the garage and games room are accessible from the dining room, and a further workshop is located at the front of the property. Connectivity is currently provided via superfast fibre broadband, with ultrafast infrastructure in place ready for future connection. Other benefits include solar energy and no water meter.

The property presents with a charming frontage. The coupling of enclosed driveway for ample parking and a verdant lawn provides the utmost comfort and privacy. To the back, your horizon opens, and your thoughts can flow fluently within an immaculate garden bordered by a mature hedgerow and shrubbery. Whenever you wish to venture further afield, take a stroll out of your back gate across the fields.

Aside from beach walks or an 18-hole Golf course within a 5-minute drive, the market town of North Walsham is within a 10-minute drive for all daily amenities. The fresh waters of the Norfolk Broads can be enjoyed as close by as Coltishall and Hoveton.

There is nothing like viewing a prospective home in person. We are open 24/7 to receive your request and look forward to welcoming you.
