Whether serving as comfortable weekday parking, to hosting special occasions for all family and friends, nobody will be left roadside. A wide side gate leads to further parking, a large carport and garage.

As you step foot inside, the warmth of this home embraces you from the entrance hall onwards. From its hardwood flooring, exposed brickwork and beams, to its warming tones and enticing verdant views, there is much to appreciate and boxes being ticked.

An open plan kitchen-dining room boasts views of the garden via bi-fold doors and extensive floor space for whatever sized table you desire. Adjacent sits a family snug to absorb the flaming heat from one of two wood burners. The second sits centre piece in the dual-aspect living room leading through to the sun room for undisturbed views across the garden.

The first floor is reached by means of two stairwells: one into the principle bedroom, the second onto the main landing leading to four bedrooms, family bathroom and shower room. Often, the term versatility is synonymous of tighter spaces...not here! Additional rooms in this home are well-sized and placed to serve your household dynamics purposefully.

The glorious garden is ample and secluded where many a ballgame has been played, and hours have been lost to fun and laughter. Complimented by an extensive patio, al fresco dining will take on a new meaning with the BBQ surely becoming a permanent fixture.
