Welcome to Poppy Street, Wymondham. A 2019 build with a single family since new, this property has provided peaceful living within a friendly neighbourhood.

This home offers a welcoming ground-floor layout starting with an ample entrance hallway complete with under stair storage and cloakroom. From here, you have access to both the lounge and kitchen-diner which are connected by a wide entry for an open-plan feel whilst maintaining a separation from the kitchen.

The first floor leads to three well-proportioned bedrooms, with the primary completed by inclusion of ensuite shower room. Bedrooms two and three are well placed to the main bathroom where you can enjoy long soaks. Again, all rooms boast plenty of natural daylight.

The rear garden offers alternate access, ideal for walking four-legged friends, and benefits from easy maintenance while being a versatile additional space, peaceful with no overlookers. To the front, benefit from two side-by-side driveway spaces, ensuring ample parking without that annoying car shuffle.

You can choose to leave your car parked up thanks to handy locations within walking distance, such as Waitrose, Lidl, many fooderies and bus routes. Or within a matter of moments, you can be on the A11 or catching the train. From the doorstep, there is good dog-walking, cycle routes and play parks too.

There is nothing like viewing a prospective home in person. We are open 24/7 to receive your request and look forward to welcoming you.
