An amended from first application

No.	Date	Revision Notes
E	08/05/2024	Amended to the most recent comments.
F	16/05/2024	Amended to the most recent clients comments.
G	20/05/2024	Amended to the most recent comments.
H	22/05/2024	Amended to the most recent comments.
I	16/09/2024	Amended to the most recent comments.

Initials	Notes
EG	These drawings have been proposed after 4 iterations of sketch design (including sub-options) and take into account the consultant's heritage assessment and pre-app with council conservation officers.
EG	Room designations follow the structural survey key.
EG	R.I.C with roofplan & elevations P04, plans P03 AND detail D01.
EG	Note: All new partitions to be lightweight steel stud and plasterboard.
