Welcome to Jasmine Walk, Cringleford. This 4-bedroom home comes to market for the first time since it was built in 2009. Boasting updated interiors, a luxury multi-use wood cabin, a garage and an EV charger, it is no wonder the sellers have been so happy here.

The ground floor opens to a bright and spacious kitchen and living area plus a dining room, home office and cloakroom. Each space is perfectly allocated for excellent flow and dynamic. A Wickes kitchen was installed in 2018, and designed for easy, sociable use. This space is fully integrated including a separate full-height fridge and freezer making social dining a breeze and opening choices for all.

The first floor offers three double bedrooms, all with fitted storage – two with ensuite shower rooms – a single bedroom currently serving as a dressing room and a steam shower room. All three shower rooms were fully refurbished in 2017 to become calm, luxurious spaces.

In the garden, you will find a serene space away from onlookers that can be enjoyed comfortably in the company of friends and family. The log cabin was constructed in 2018 and has served perfectly as a gym and gaming room. Boasting a substantial footprint and electricity, this is an excellent solution to working from home for one or more users.

There is a sizeable single-garage and driveway parking which has been kept to the same high standard as the rest of the property.

From the doorstep, the property places you within a 12-minute drive from Norwich city centre and a 5-minute drive from the Norfolk and Norwich University Hospital. Within a 2-mile radius, there is a range of good to outstanding schools. Local amenities and transport links are close by and reliable.

There is nothing like viewing a prospective home in person. We are open 24/7 to receive your request and look forward to welcoming you.
